## NEWS OF KANSAS.

J. B. Wise Arrested for Sending  
Obscene Matter in Mails.

Inveigles a U. S. Clerk Into De-  
ing the Same Thing.

### OTHER STATE NEWS.

Deputies DeBost and Gray Are  
Fined \$25 Each.

ABILENE, Sept. 21.—The Reflector  
says: The case of J. B. Wise, the Clay  
Center man arrested for sending a pas-  
sage from the Bible on a postal card to  
Rev. Mr. Vennum of Industry, has a new  
feature. Wise, a few days ago, wrote to  
the United States clerk, pretending he  
did not remember precisely what he had  
written, and by return mail he got a copy  
of his postal card, and the clerk seems to  
have committed the same offense as the  
prisoner.

Wise is remembered in this county as a  
one-armed school teacher who was in  
this vicinity six years ago. For two  
years he systematically persecuted Rev.  
Mr. Vennum, who is the pastor of the  
Evangelical church of Industry. He has  
written scores of letters full of vulgarity  
and abuse and has sent him religious pa-  
pers with articles cut out and abusive in-  
fidel matter inserted.

It finally grew beyond endurance, and  
Vennum, turned over one of the postal  
cards to the authorities with the result  
that Wise was arrested for sending ob-  
scene matter through the mails.

**HORSE TOOK THE SIGN ALONG.**  
Got Frightened at the Salvation Army and  
Ran Away With Hitching Post.

WICHITA, Sept. 21.—A horse hitched  
to the paper sign in front of the store of  
J. P. Parrott became frightened last  
night at the Salvation Army and ran  
away, carrying the sign with it. As the  
tail hitching post flew in the air the ter-  
ror of the animal grew with each jump.  
Lizzie Caldwell, residing at 301 South Mos-  
ley, who was marching with the army at  
the time, was knocked down and seriously  
bruised about the chest and face, but  
no bones were broken.

The horse next ran into the buggy of  
J. P. Green, causing him to attempt to be-  
come frightened and turn his buggy  
over. Mr. Green narrowly escaped  
death, having received only several se-  
vere bruises. The buggy of Mr. Green  
was badly broken.

**A CHILD GETS A \$500 VERDICT.**  
It was Against the Missouri Pacific Though  
the M. & P. was Equally Responsible.

FORT SCOTT, Sept. 21.—The case of  
Blanche Watson, a child of five years,  
against the Missouri Pacific and the Mis-  
souri, Kansas & Texas Railroad com-  
panies, was settled by the jury yesterday  
giving the child \$500 damages for in-  
juries sustained in a railway accident a  
few years ago. The verdict was given  
against the Missouri Pacific alone, the  
Missouri, Kansas & Texas being released  
from liability. The verdict was against  
the Missouri Pacific because it was  
carrying the child, the law holding the  
carrier to be in the greater responsibility.

**STABBED OVER FOOTBALL.**  
Two Washington Boys Quarrel and One  
Is Stabbed.

WASHINGTON, Sept. 21.—While several  
boys were playing football on the street,  
Charles Boyd and Carl Evans came to  
some misunderstanding, and Evans, to  
satisfy some assumed grievance, stabbed  
Charles in the abdomen with a pocket  
knife, inflicting an ugly wound.  
Milt Evans, who carries a pistol ball in  
his body as a result of a melee had some  
months ago, rendered his younger brother  
what assistance he thought necessary  
in the way of kicks and other severe  
treatment.

**DEBOST AND GRAY FINED \$25.**  
They Took an Appeal to the District Court  
However.

WICHITA, Sept. 21.—The continued  
cases against Leon DeBost and James  
Gray, the two deputy United States mar-  
shals arrested Saturday night, were tried  
yesterday afternoon in the police court.  
The defendants were represented by At-  
torney W. H. Craig. They were fined  
\$25 each to which judgment an appeal  
was taken to the district court, bonds  
having been given in the sum of \$75 in  
each case.

**For Murdering Druggist Thomas.**  
OSAGE CITY, Sept. 21.—The secret in-  
quest held over the body of John Thomas  
in this city brought out testimony that  
caused the arrest of Rag Apple. Apple  
could not give a satisfactory explanation  
of his whereabouts at the time the murder  
was committed. He also had in his  
possession a dirk. Expert testimony  
brought out the fact that human blood  
had been on the handle.

**Contractors Work Condemned.**  
LAWRENCE, Sept. 21.—A large portion  
of the front wall of the new physics  
building at the State university has been  
condemned on account of the poor stone  
used in its construction. The contrac-  
tors are from Topeka and will tear down  
the wall and put in better material. The  
building is above the joists of the second  
story.

**Anderson Democrats Fuse.**  
GARNETT, Sept. 21.—The fusionists  
captured the Democratic convention here  
and passed resolutions declaring that  
since a Democratic county ticket would  
only result in the election of the Repub-  
lican ticket, every Democrat be at lib-  
erty to vote for whom he pleased.

**United Brethren Conference.**  
OSAGE CITY, Sept. 21.—The annual  
session of the Kansas conference of the  
United Brethren church is in session in  
this city, with Bishop N. Castle presid-  
ing. Sunday the pulpits of the city will  
be filled by the visiting ministers.

**Spencer Library Opened.**  
LAWRENCE, Sept. 21.—The new Spoon-  
er library building of the state univer-  
sity has been opened to the students.  
The building is of the most modern pat-  
tern, complete in all its appointments.

**The State Journal's Want and Mis-  
cellaneous columns reach each working  
day in the week more than twice as  
many Topeka people as can be reached  
through any other paper. This is a fact.**

### KINNEY AND THE ROBBERS

Disposal of Some of the Santa Fe Band-  
itti.

J. J. Kinney, chief of the Santa Fe  
detective service, who superintended the  
capturing of the train robbers over in  
Missouri a few mornings ago arrived in  
Topeka today.

Mr. Kinney says a special grand jury  
called for the purpose has already found  
indictments against two of the robbers,  
Charles Abrahams and Lincoln Over-  
field for assault with intent to kill.

This indictment was found for the  
shooting of the engineer, "Dad" Prescott,  
and an indictment for train robbing was  
not returned on account of an error of  
the county attorney who failed to place  
in the hands of the grand jury a copy of  
an indictment for that offense so that but  
one bill was returned.

The man McDaniels, who gave the  
plot away to the officials, was not in-  
dicted, as he was not clearly guilty of  
the crime. Mr. Kinney says McDaniels  
was solicited to join the gang and went  
immediately and consulted a friend of  
his, A. J. Dagg, a lawyer, and they went  
to Chicago and placed all their informa-  
tion in the hands of the railroad and ex-  
press companies. McDaniels was then  
elected foreman of the gang, but was no-  
tified by the Santa Fe that he must fol-  
low and not lead.

Mr. Kinney says the railroad company  
has not and will not pay McDaniels a  
reward for his services, and the only  
compensation he will get is pay for his  
time and actual expenses.

Abrahams, one of the robbers under  
indictment, is so badly wounded that he  
cannot recover.

### LOCAL MENTION.

Charles White's father had him ar-  
rested last evening by the police on the  
charge of having stolen money from him,  
but repented of it afterwards and had  
him released. He says now that Charles  
didn't do it.

Fred Heim, who was charged with let-  
ting his chickens spoil the neighbors'  
gardens, was discharged by the police  
court yesterday at the suggestion of the  
plaintiff, N. A. Weraer.

John E. Frost, the head of the Santa  
Fe land department, has received some  
very fine specimens of fruit, vegetables  
and grain from southern New Mexico,

of heart disease, and will be buried here  
either Monday or Tuesday. The an-  
nouncement will be made later. He  
leaves a wife and his mother, Mrs. James  
Smith, and his two sisters, Misses Eleanor  
and Elizabeth, who live in Topeka.

The case of the City of Topeka against  
V. E. Lowe and Henry Jamison, charged  
with doing scavenger work without legal  
permission will be tried before J. E.  
Perry, as acting police judge, next  
Thursday morning. The case came up  
yesterday, but was continued till that  
time because of a lack of city witnesses.

Judge Ensminger is the attorney for the  
defendants. Lowe was locked up, but  
was released on a writ of habeas corpus  
issued by the supreme court and his bond  
was placed at \$100.
